Have you ever been exposed to HIV/AIDS or Hepatitis B or C?	<input type="checkbox"/>	<input type="checkbox"/>

What is your occupation? \_\_\_\_\_

**Patient Financial Policy**

*(Please initial each line to express your understanding)*

1. \_\_\_ This office contracts with Medicare and with many managed care plans. Please check with our reception staff to determine whether your plan is one of these. If we have a contract with your plan, we will file a claim on your behalf with your insurance company, and accept their assignment. Some managed care plans that we are contracted with require us to collect a co-pay at the time of service. The deductible and/or co-insurance are billed to the patient after the insurance company has processed the claim. If you are uncertain, please check with your managed care plan regarding what payment(co-pay) is required at the time of service.
2. \_\_\_ If you do not have one of the plans with which the practice is contracted, the total cost of your visit is required at the time of service. In this situation, you will be asked to sign a waiver explaining your financial responsibility in greater detail prior to your office visit. After your visit, we will provide along with a receipt, an itemized statement that you can file with your insurance company for possible reimbursement.
3. \_\_\_ Not all insurance plans cover all dermatological services. Such non-covered services may include but are not limited to, *skin tag removal, benign skin lesion removals, treatment of fungal nail infections, treatment for melasma or hyper/hypopigmentation disorders of the skin, biological response modifiers for psoriasis and various cosmetic procedures.* Before the non-covered service is provided, the physician will advise you that the service may not be covered and will go over the cost. **Patients are encouraged to check with their insurance company on what dermatological services are covered prior to their visit.** Unfortunately, it is impossible for us to keep up with what is covered per plan per policy per patient. Payment for all non-covered services is due at the time of service.
4. \_\_\_ If your plan requires a referral from your primary care physician for your visit with us to be covered, please check with reception and make sure that the referral has been received prior to your visit. If there is no referral, and you have this type of insurance, the office visit will not be covered, and you will be held financially responsible for the visit at the time of service.
5. \_\_\_ In separation or divorce cases, the patient or the parent bringing in the minor to the appointment will be held financially responsible. The divorce decree only involves the divorcees and the state and we reject any further involvement. However, we will need permission from the insured to bill the insurance company.
6. \_\_\_ The practice requires a 24 hour notice for appointment cancellations. Due to the high demand of appointments for patients waiting to be seen, if a patient fails to give notice or keep their appointment more than three times; the patient will be dismissed from the practice.
7. \_\_\_ For amounts due to the practice, **a single statement** will be sent to your address. You have 30 days after this statement to pay in full the balance indicated on the statement. If no payment is received, we will try to reach you by phone. If no reply, your account will be forwarded to a third party for further action. In addition, a collection fee up to 20% will be added to the outstanding amount that is owed to our office. **No additional contact will be made by our office at that point.**
8. \_\_\_ For your convenience, this office accepts MasterCard, Visa, Discover, and American Express in addition to cash and personal checks. Bounced checks will be charged and additional \$25.00 charge per check.

**I have read and understand the practice's patient financial policy and agree to be bound by its terms. I also understand and agree that such terms may be periodically amended by the practice.**
